Dear Sir:

An amendment in response to the non-final Office action mailed 11/28/2005 in the above-referenced matter was filed with the U.S. Patent and Trademark Office via facsimile transmission on December 21, 2005. It was subsequently noticed that an improper claim status identifier had been used for claim 12 in the "Amendments to the claims" section. The status of claim 12 was improperly identified as "original." The proper claim status identifier for claim 12 is "currently amended." A corrected "Amendments to the claims" section follows, in accordance with 37 C.F.R. § 1.121. No other changes to the claims are made in the following section. This Correction of Non-Compliant Amendment Under 37 C.F.R. § 1.121 is being submitted within three months of the mailing date of the non-final Office action.
